

EPIC MINIGEDDON

A fun, fast and furious way to play and learn
Epic Armageddon by fighting scaled down battles

1000 points

Battlefield: 80cm x 120cm (Deployment on the short board edge)

Scenario: Grand Tournament with the following restrictions:

Objectives:

1 blitz and 1 Take and Hold objective which must be placed at least 20cm from each other.
To control an objective a unit must be within 10cm of it's centre instead of 15cm

Goal changes:

Defend the flag (control the 2 objectives on your side instead of 3)

Take and Hold (control the enemy objective - *not* the blitz)

All others the same

Rule changes:

Only 1 garrison formation may be placed on overwatch instead of 2

Rally tests: -1 to rally if enemy within 20cm instead of 30cm

400 points maximum for a formation

Max of 4 pieces of terrain

Forbidden formations:

Flyers

Space units (including free planetfall and drop pods)
